Grace Giving
2 Corinthians 8-9

What is **grace**?

God's grace is:

- **E** _____ (2 Timothy 1:9)
- **F** _____ (Romans 3:24; 5:15)
- **U** _____ (Romans 5:20)

Grace is the eternal, free, unlimited, self-motivated, stooping favor of God expressed to undeserving, hell-deserving sinners who have no right to it and to whom it is not due.

How should grace affect our **giving**?

- First, grace causes us to give when it is not _____ to give (8:2-4b).
- Second, grace causes us to first give _____ to the Lord (8:4b-8).

Giving follows grace,

_____ follows giving,

and through blessing,

God is _____.

“It is more blessed to give than to receive”
(Acts 20:35).
