WE ARE HIS NEW CREATION

QUESTIONS TO CONSIDER:

*What are the desires that compete with Jesus for
first place in my heart?*

*If I were taken to court with the charge that I was
committed to Jesus above all else, what evidence
could be used from my life to prove the charge?*

*Complete this sentence, "We know that Jesus has
first place in this home when..."*

Do I want Jesus to have first place at SHBC?

- *Does He get my prompt obedience?*
- *Am I following His leadership in my
relationships with my church family?*
- *Where am I tempted to want my way
instead of Jesus' way when it comes to my
relationship with my church family?*
